02.   Method of Recruitment:

2.1   A written examination will be held by the Commissioner General of Examinations as per the section 10.1 of this *gazette* notification.

2.2   Two (02) times of existing number of vacancies from those who have obtained a minimum of 40 marks for each question paper will be called for the general interview; as per the section 10.2 of this *gazette notification*, based on the merit order of the total marks scored in the written Examination. The list of applicants qualified for the general interview will be published on the official website of the Ministry of Education, Higher Education and Vocational Education (The applicants who have not fulfilled the qualifications will be rejected at the general interview)

2.3   The applicants who get qualified at the General Interview will be subjected to a Practical Test in terms of Section 10.3 of this notification. The marks obtained at the practical test will directly be sent to the Department of Examinations by the Ministry of Education, Higher Education and Vocational Education / respective Provincial Public Service Commissions. The relevant vacancy list will be exhibited to the applicants at the time of Practical Test, and the applicants should indicate the order of their preference for the list of schools with vacancies.

2.4   Recruitments will be made on school based system according to the number of vacancies, the language medium, subject and the type of school upon the priority order of total marks obtained by the applicant at the Practical Test.

2.5   The list of vacancies in subjects of appointment related to this gazette notification is given in Schedule 05. The recruitments will be done only for the teacher vacancies indicated in the schedule.

Note 3

In an event where several applicants requesting the same school have obtained equal marks, placement to the schools will be decided by the Secretary to the Ministry of Education, Higher Education and Vocational Education/ relevant Provincial Public Service Commission.

2.6   As the applicants are recruited for these vacancies on school based system, the transfers will not be given under any circumstances until the completion of a period of five (05) years.

2.7   In this recruitment, the applicants will be recruited separately as National Schools and Provincial Schools.

2.8   You can apply for all two (02) school types as National Schools and Provincial Schools or for one of the school types according to your preference. That should be clearly mentioned in the application.

2.9   The examination results of the applicants who express their preference for National Schools / Provincial Schools and only for Provincial Schools will be forwarded to the respective provinces according to their province of permanent residence they indicated in the application. The province registered in the electoral register in the year 2022 is considered as the province of permanent residence. (The results of applicants applying only for national schools will not be forwarded to provinces)

2.10   The following particulars are applied to each applicant

2.10.1   The applicants applying for national/provincial schools may apply for an additional province; in additional to the province of permanent residence, in order to be considered in the event of the non-existence of vacancies related to the subject and language medium applied for according to the national / provincial school they apply for. Accordingly, the said additional province should be clearly mentioned in the application.

2.10.2   The additional province so applied for will be considered only in case of no vacancies in national / provincial schools for the subject and language medium applied for.

2.10.3   The opportunity will be given to these applicants, only if there are further vacancies subsequent to making recruitments from the applicants who are permanent residents of the province for the teacher vacancies existing in the additional province.

N.B :-   The applicants; who are not permanent residents in Eastern Province, can apply only for the subjects of Science, Mathematics, English, Information Technology, Technology Stream and Counseling in Eastern Province.

03.   Conditions of Employing in Service:
